## Tenso Young Composers Award for Aftab Darvishi

After the second round of the 2016 workshop in Copenhagen, Aftab Darvishi was granted Tenso Young Composers Award 2016, consisting of a commission of a new work.

The jury: "The award is given to the composer who showed the most understanding of the human voice, and of the relation between text and music. With rather simple means, she wrote a convincing piece that is both contemporary and moving."
